

WHAT WILL YOU DO WITH 250 NEW BELIEVERS?

INFORMATION:

- 1. You have sent children's teachers to our intensive School, where they have learned to minister 1) using puppets or 2) how to do mime or 3) how to do clowning.**
- 2. Now, they will be returning as a team to your church.**
- 3. We are asking them to function as a team for seven days, helping you to evangelize around the church to reach new converts and to grow your church.**
- 4. We ask you to give them advice as to which areas you would like to have evangelized.**
- 5. They can evangelize around your church in parks, streets, basketball courts, trash dumps, schools churches or anywhere there are people.**
- 6. We expect you to receive up to 250 new converts from these evangelisms. One fifth will be adults.**
- 7. The goal will then be for each pastor to start 5 groups in houses from this evangelism time.**

BEFORE THE EVANGELISM:

- 1. Pray with the team for their times out on evangelism.**
- 2. Look for members from your church who live close to the areas of evangelism.**
- 3. Invite these members to attend the time of evangelism that is close to their house in order to personally guide the new believers to their house.**
- 4. Look for places for the team of teachers to minister. We want many to listen; and, if your church desires to start a new mission, invite them there and this will help either the mission or the church to grow.**
- 5. Decide which day of the week that there can be a meeting of the new believers in each house.**
- 6. Decide who will lead each meeting, you or a person who lives in the house or another person from the church, under your authority.**
- 7. Decide more or less how many weeks you want to have the house meeting. My advice is to have it for at least three weeks. When the house meeting is finished, the people will be encouraged to continue their growth in Christ at your church.**
- 8. Help the team with the use of a sound system and tape player and possibly candy for the children during this week of evangelism.**

IN THE EVANGELISM:

- 1. We hope you can attend the evangelisms.**
- 2. After all the dramas and program, the team has been taught to pray for people to receive Christ as their Savior. We believe three things are necessary in the life of those who pray: REPENTANCE, BELIEF, CONFESSION.**
- 3. The team will write the names and if possible the addresses of all who pray, to help in the follow-up with them.**
