

GRANNY

Granny comes in and hugs one or two children.

She says she needs to sit down and falls into a chair.

Then, she asks if anyone wants to see what she brought in her bag. She gets up and shows items one by one.

Rock: "What is this? Sure, it's a rock. Do you think if you ask God for bread that He will give you a stone? No, of course not. It is a promise in the Bible. If you ask for bread, He will give you bread.

If you ask for fish, He won't give you a serpent, He will give you fish. There are many promises of God in the Bible. How are you going to know these promises?

Read your Bible and you will find the promises of God for your life.

Lost Coin: As she is counting out nine coins, Granny explains, "Once I had ten coins. I got them out to count them, but I could only find nine! I was very upset! I counted them again and again. Then, I got my broom and swept every inch of the house. At long last I found the tenth coin. It was precious to me. Jesus is precious, too. He is well worth finding and His promises in the Word of God are worth finding, too. Again, read your Bibles and seek God!
